

Prairie Creek Recreation Area, Maquoketa, Jackson County

Fungal survey, June 18, 2022

- *Bolbitius titubans*
- *Conocybe* sp.
- *Coprinellus micaceus*, AKA *Coprinus micaceus*, Mica Cap
- *Coprinoid* sp. small
- *Crepidotus crocophyllus*
- *Ductifera pululahuana*, AKA *Exidia alba*, White Jelly
- *Echinoderma asperum* AKA *Lepiota aspera*, Freckled Dapperling
- *Favolus alveolaris*, AKA *Polyporus alveolaris*, *Polyporus mori*, Hickory Stick Polypore
- *Fuscoporia gilva*, AKA *Phellinus gilvus*, Mustard Yellow Polypore
- *Gyroporus purpurinus*, Bolete
- *Helvella macropus*
- *Hortiboletus* sp., Bolete
- *Hymenopellis megalospora*, AKA *Xerula megalospora*
- *Inocybe* spp.
- *Kretzchmaria deusta*, AKA *Hypoxyton deustum*, Brittle Cinder fungus
- *Leucoagaricus americanus*, Reddening Lepiota
- *Merasmius rotula*, gills are connected to a collar around the thin stem
- *Mycena leaiana*, Orange Mycena
- *Mycena* spp.
- *Peziza* sp.
- *Pleurotus cornucopiae* var. *citrinopileatus*, Yellow Oyster
- *Pluteus cervinus*, Deer Mushroom
- *Pluteus* spp.
- *Polyporus squamosus*, Pheasant Back, Dryad's Saddle
- *Polyporus varius*, Little Black Foot
- *Psathyrella* sp.
- *Pseudoinonotus dryadeus*, Oak Bracket Fungus, Weeping Polypore
- *Russula cyanoxantha*,
- *Russula* sp. red
- *Sarcoscypha occidentalis*, Summer Red Cup
- *Schizophyllum commune*, Split Gill
- *Scutellinia* sp., Eyelash Cup
- *Stereum fasciatum*, False Turkey Tail
- *Stereum lobatum*, False Turkey Tail, stains yellow
- *Trametes gibbosa*, Lumpy Bracket
- *Trametes hirsuta*, Hairy Turkey Tail
- *Trametopsis cervina*, hairy shelf fungi with large irregular pores
- *Xylaria polymorpha*, Dead Man's Fingers
- *Xylaria* sp.
